

Good Monday!

We have received a large shipment and another is in the works to head our way in a couple of weeks. Therefore, we would love to be generous with our craft kits.

I am adding our newest updated order form--please use it if you can to expedite filling the orders.

I can also offer you a variety box of 20, 50, etc... if you'd like. We have a large amount of adhesives and acrylic paints donated as well, please let us know if you are interested.

Either way I can have your order ready for you as soon as later this afternoon or tomorrow morning.

Thank you for supporting our veteran community and please pass on to interested parties.

Regards,

-Trish Alger
