Employment Services,

Dee Stewart, Family Career Advisory Deirdra.stewart@tvc.texas.gov,

Question: how do we refer? Either refer them w/ their contact info via email or give her contact info to them. Either is fine. First, they need to have a full registered account with Work In Texas. After they complete the registration they'll get a scheduled appointment to learn more about what their goals are, what are they looking for?

Maria Gonzales, TVC Rural Veteran Career Advisor

Eric Sexton, Commercial Account Manager – Texas, Telemetrynd

mental health care was a growing problem before COVID, and now it's expanded the need. Served family of Veteran as well. Tele behavior Health for the military community. National network of therapists and prescribers, serve age 5+. National resource with Tricare and Triwest. Can't hire providers unless there is a need for them. 156 active providers in the state of Texas.

Simple referral process: for Veterans they can get a referral from the VA.

Eric's role is to raise awareness about the services available w/in Texas.

Usually about 5-10 days of wait time.

Question: how do referrals work? Register online or call the number.
